P27: GOVERNOR BOURKE ROOM
minimum 80 people maximum 180 people

The Governor Bourke Room is the Q Station's largest venue. It has expansive views of Sydney Harbour, is flooded with natural light and features timber floors. The Governor Bourke Room also has a large veranda perfect for pre-dinner drinks and canapés.

A2: DR CUMPSTON ROOM
minimum 50 people maximum 80 people

Originally the former general store and linen room, A2 is the main function and event venue at Q Station. Constructed at the turn of the century, the brick building features views of Sydney Harbour, a vast display wall of heritage objects originally stored in the building, air conditioning and reverse cycle heating.

P5: FORMER FIRST CLASS DINING ROOM
minimum 40 people maximum 55 people

The former First Class Dining Room offers a palm-lined veranda, charming stained glass windows and spectacular bush and harbour views. The Dining Room comes equipped with the original hardwood furniture used by first class guests from 1886, when P5 was built. Note: This room will not be available in 2011.

H1: FORMER HOSPITAL
minimum 50 people maximum 80 people
Receptions from 11am - 5pm only

The recently re-constructed former Hospital features lots of natural light and verandas with breath-taking views from both sides of the room.
