		<p>Blue plaque</p> <p>The process for applying for a Blue Plaque is quite arduous due to NPWS and heritage approvals required. Some committee members had expressed that the Blue Plaque concept is not entirely appropriate for Q Station. Consensus amongst the committee that the appropriate approach to take is to not pursue a Blue Plaque.</p>	All to note

No.	Issue	Action	Responsible
2.5	Other Administrative Matters	SH and RY met online in late October for ELO to come up to speed with the QSCCC and confirming process and arrangements with the Chair. QSCCC meetings will be held at Q Station when possible, with arrangements made for any committee member to join online.	SH
2.6	Proposed Events	Refer to Mawland Report	NPWS, MQS
3 Reports			
3.1	NPWS Report		CW
		<p>Long-nosed bandicoots</p> <p>NPWS has received a draft report of the Long-nosed Bandicoot Monitoring Program for the 20/21 breeding season. Once finalised, the report will be made available for distribution to the QSCCC. This is likely to occur before the next QSCCC meeting.</p>	NPWS
		<p>Little Penguins</p> <p>NPWS has received the draft <i>Manly Little Penguin Recovery Program 2020/21 Monitoring Report</i> (September 2021) for the 2020-21 breeding season. Once finalised, the report will be made available for distribution to the QSCCC.</p> <p>CB asked about the penguin sites which were monitored. CW to provide locations.</p> <p>VM and CB reported penguin and seal activity.</p>	NPWS
		<p>Pest Management</p> <p>Rabbit shoots continue to be undertaken on a three-weekly basis for the next 6 months. NPWS will liaise with MQS to schedule shoots during low occupancy periods.</p> <p>Ongoing 6 weekly ongoing baiting program with 1080 capsules in canid pest ejectors and 1080 ground baits at North Head.</p>	NPWS
		<p>North Head Scenic Area Concept Plan</p> <p>NPWS released on 1 November concept plans for the new lookouts at North Head, replacing the original Fairfax lookouts, which are closed due to geotechnical risks along the sandstone cliff edges.</p> <p>Together with NPWS, local architectural firm CHROFI (Manly) and Aboriginal Consultancy Bangawarra have prepared the Concept Plan including visual design and description.</p> <p>CG remarked that the CHROFI Aboriginal report is one of the best that has been prepared for North Head. It gives a full picture of the importance of Aboriginal heritage and supports the concept design.</p>	All to note

No.	Issue	Action	Responsible
		<p>The two redesigned accessible lookouts are to be appropriately renamed to recognise and acknowledge the Aboriginal Connection to Country and significance of the North Head cultural landscape.</p> <p>Further information can be found on the NPWS website at: North Head Scenic Area upgrade NSW Environment, Energy and Science</p> <p>Public feedback on the Concept Plan is requested by 26 November 2021.</p> <p>CG suggested that the Concept Plan be highlighted more prominently on the NPWS website as it is difficult to find.</p> <p>NPWS has some funding for staging and priorities set out in the Concept Plan.</p>	
		<p>North Head Scenic Area Upgrade Construction Work</p> <p>Work on the North Head Scenic Area upgrades - carparks and landscaping commenced in October 2021 with completion in early 2022 with road closures and visitation impacts throughout that 3-month work program.</p> <p>Details of the works and a summary of the community feedback (released during April and May 2021) can be found on the NPWS website: North Head Scenic Area upgrade NSW Environment, Energy and Science</p> 	NPWS
		<p>Annual reporting</p> <p>The Department of Planning, Industry and Environment – Planning and Assessment – Compliance (Department) has been investigating compliance with the conditions of the Q. Station approval (MP08_0041 determined 23 December 2003, as modified), particularly in relation to the annual reporting conditions.</p> <p>The co-proponents and Consultants SNC Lavalin are working together to prepare and finalise the revised reports for resubmission to DPIE in January 2021.</p> <p>Copies of the draft reports will be made available to the QSCCC for their review and feedback, prior to finalisation and submission.</p>	NPWS, MQS

No.	Issue	Action	Responsible
		<p>Heritage Grant</p> <p>NPWS, MQS and Creative Experience Design Studio, Grumpy Sailor Creative (Sydney) have applied for a National Heritage Grant to create a new immersive exhibition experience to interpret the Wharf Precinct and promote the heritage values of Q Station.</p>	NPWS, MQS
		<p>Update to the Movable Heritage Plan</p> <p>In accordance with the CoPA, the Movable Heritage Plan has been updated and revised.</p> <p>The Q Station Heritage Advisor – Elizabeth Broomhead has indicated her willingness to present on the Movable Heritage Plan at the next QSCCC meeting. All members of the committee confirm that they would like to receive a presentation from Elizabeth Broomhead at the next meeting.</p> <p>NPWS to provide the Movable Heritage Plan so it can be distributed to QSCCC members to read before the next meeting.</p>	NPWS
		<p>Comments/questions</p> <p>NPWS to follow up Mawland request to establish a digital opening sign for Q Station at the entrance to the North Head NP.</p>	NPWS
3.2	Mawland Report		SS
		<p>Lease process</p> <p>The Q Station lease is on the market. Tender closing date was Friday 5 November 2021.</p> <p>Several people have expressed an interest in the lease. Mawland are heartened by the people who applied who have a similar approach to the site.</p> <p>Mawland thanked NPWS for their assistance and support throughout the tender process. NPWS had productive conversations with prospects.</p> <p>Change in proponent is likely, but timing is not known.</p> <p>NPWS to approve the new proponent under Clause 10 of the lease. QSCCC will be advised when finalised.</p>	All to note
		<p>Early renewal of lease option</p> <p>The lease is in hand and in 2027 the lease will need to be renewed. Mawland agrees and states that all legal fees will be paid up to date on the option of early exercise and handed over to the purchaser.</p>	All to note
		<p>Land Tax</p> <p>Waiting for response from Office of State Revenue</p>	NPWS, MQS

No.	Issue	Action	Responsible
		<p>Current situation</p> <p>Q Station is operating, but only at 50% of usual operations until early December. Plan to be completely open by 1 December.</p> <p>The coffee shop is open 5 days.</p> <p>Q Station has a new chef.</p> <p>Mawland is recruiting for staff through a specialist company, including food and beverage staff, social media and marketing manager.</p> <p>Conferencing is gaining momentum and very busy in December.</p> <p>Christmas parties are coming up. Weddings have generally been shifted to next year.</p> <p>The Boilerhouse is open in the evenings, and for lunch on weekends.</p> <p>School programs (excursions, holiday care, picnics) are expected back next year.</p> <p>Les Sculptures Refusées sculpture exhibition with 24 large sculptural installations is currently running through to mid-January. The official opening is 18 November at 5.30pm at the Glasshouse, to be opened by Jennifer Byrne. QSCCC members are invited.</p>	NPWS, MQS
		<p>WW1 Nurses Plaques – Operation Pilgrim</p> <p>Nurses Annie Egan and Elizabeth MacGregor are being honoured on 5 December 2021.</p> <p>RY and MP are in discussion about where the plaques will be installed before the function on 5 December 2022. MP indicated that the plaques should be in Building H2 as that is the most appropriate place within the Hospital Precinct.</p> <p>Sir Peter Cosgrove will be involved in the ceremony on 5 December.</p>	
		<p>Open Days</p> <p>Mawland has written to DPIE to inform them that the site is open at all times for the sculpture exhibition. Requested that the open days associated with the exhibition be considered compliant with open day requirements in the Conditions of Consent for Q Station. DPIE recognise the sculpture exhibition as open days.</p>	NPWS, MQS
		<p>Heritage Grant</p> <p>NPWS and Mawland have applied for a \$400,000 Federal government grant for an immersive exhibition named 'Pandemics, Past and Future'.</p> <p>The exhibition with audio, smell and visual would include the showers and pump room</p> <p>Elizabeth Broomhead, QS Heritage Advisor, NPWS assisted with the application.</p> <p>CW remarked the exhibition is a great opportunity, consistent with Q Station plans.</p>	All to note
