Q Station

Create your dream wedding on the edge of Sydney Harbour.

Q Station Sydney Harbour National Park Manly is located on 30 hectares of beautiful Australian bushland on Sydney's North Head. It offers a stunning backdrop for your ceremony and provides a variety of venue options for your reception.

Choose from a ceremony on the headland with panoramic views over Sydney Harbour; or say your vows above the water itself on our heritage wharf next to Quarantine Beach.

The options for the reception include the Governor Bourke Ballroom for a more formal function or the Private Dining Room for an intimate gathering.

Our warm and friendly service, breathtaking heritage listed rooms and picturesque Sydney Harbour views make Q Station the perfect location for your special day.
